President G. C. Creelman,

Ontario AgriculturalCollege,

Guelph, Ont.

Dear President Creelman:

A year ago you recommended that Dr. J.G. Rutherford should be given the honorary degree of D.V.S. At a meeting of the Committee on Honorary Degrees held this week your proposal was agreed to and the report will be presented to the Senate. Assuming that the Senate will pass upon it I shall have to write to Dr. Rutherford. Would you let me have his address for this purpose ?

Yours sincerely,

President.
